

# Art Expressions

*We would like to welcome Elizabeth Butterfield to our teaching staff. Her Mixed Media art is a reflection of her passion for unusual objects. The variety of materials she chooses includes anything from found or discarded treasures to plants and handmade papers. Meet Elizabeth at her demo/sale on August 1 from 9-3 during our Peddler's/Crafter's Market.*

## Whimsical Fairy Gardens CP019

Creating a container garden with imagination and creativity is an infinite discovery, and whisks you away to a fantasy world. Class includes container, soil, moss, plants and faerie dust. Additional fairy decorations will be available for a small fee.

1 Session \$50.00, Fee includes all supplies.

## Torn Paper Cards – Let's Think Snow CP020

This class is designed to experiment with art materials and the "layering upon layering" of assorted textures. Through tearing of paper, layering, painting and assembling this project, you will make a Christmas card with the look of two or three dimensional finishes. Once you've made one, modern technology allows you to duplicate it and send it again and again.

1 Session \$45.00, Fee includes all supplies.

## Gourd Carving Part 2 CP021

If you learned a lot in the Introduction to Gourd Carving class then join us again as we get further into the "meat" of the gourd. We will explore more relief carving techniques, learn how to carve waves and a mock rope design as well as demonstrate how to use a product called "Inlace". A Dremel or other high speed rotary tool is required for this class. Please familiarize yourself with all of your tools prior to the day of class.

1 Session \$40.00, plus \$8.00 kit fee Diane Calderwood Level 2  
**Sat, Jul 25 (10:00-4:00)**

## Sand Painting on Gourds CP022

Start with a raw gourd and follow it through a complete transformation. Based on the sand paintings of the Native Americans we will use wood burning, acrylic paint and a rainbow of sand colors to complete the project. A selection of patterns are available to choose from or bring your own design.

2 Sessions \$50.00, plus \$10.00 kit fee Diane Calderwood Level 1  
**Sat, Aug 15, 29 (10:00-2:30)**

## Little Gourd Jar CP023

Whether you are saving for a rainy day or need a hiding place for your wishes and dreams, then this little gourd jar is for you. Learn how to make a fitted lid for your little gourd jar as well as wood burning, coloring and carving. Embellishments such as inlaid stones or heshi can be included.

1 Session \$40.00, plus \$8.00 kit fee Diane Calderwood Level 1
