

Beaded Treasures

We would like to welcome Jaye Lynn Martin, a mixed medium artist from Lake Isabella, who specializes in ceramics, porcelain, dolls, gourds, watercolor, acrylic painting and more. See her Soy Candle class in our Home Enhancement Section.

Striking Fashion Piece Leaf Bracelet WS050

Make a macramé leaf bracelet using Swarovski crystals and glass leaves with a seed bead fringe. You will only do square knots in this easy to make, but stunning to wear bracelet. All Levels

1 Session \$45.00 Jaye Lyn Martin
Sat, Apr 17 (10:00-3:30)

Robin Dudley-Howes' wide range of talent knows no bounds! Meet Robin at her demo Saturday, March 6, from 11 a.m. to 2 p.m..

Treasure Necklace and Soldered Charms WS055

Explore various techniques to encapsulate and preserve your precious treasures by learning to cut glass and solder it into charms. Bring your favorite treasures and make them into charms to begin your very own treasure necklace! Please note: the start-up cost for this hobby may cost upwards of \$200.

1 Session \$65.00 Robin Dudley-Howes All Levels
Sun, Feb 28 (10:00-4:00)

Petite Soldered Box Pendant WS099

This tiny project is light enough to wear and versatile enough to create a different pendant for every occasion. Robin will teach a miniature "petite" box with solder and glass. You can fill it with miniature dolls, hats, crowns, wings, clothes etc. or make flat images look 3-D using collage techniques. You will also learn how to make and attach a handle. If time allows Robin will help you with a necklace to hang your pendant.

1 Session \$65.00 Robin Dudley-Howes
Fee includes partial supplies. All Levels
Sat, Apr 10 (10:00-4:00)

Ron Hill, wire artist, author and teacher, is continually exploring new techniques. Meet Ron at his demo, Sunday, March 7 from 11 a.m. to 2 p.m.

Fun with Wire WS885

"Fun with wire" was created for those with little or no wire wrapping skills. Projects cover bracelets, bangles and beads, making wire and bead rings on a fixed ring mandrel, and chains, dangles and earrings. You'll also learn how to twist, shape and form wire to make beautiful wire jewelry pieces. Level 1

1 Session \$85.00, Fee includes 25-page study guide. Ron Hill
Sun, Jan 24 (10:00-4:00)

Wire Wrap 101 WS872

Learn the basics in wire handling, wire manipulation and the construction process. Five projects will be taught, including earrings, bracelets, rings and pendants. Each student will receive a free copy of the book Wire Wrap 101 from the author (a \$24.95 value). The 65 page book/course is complete with numerous design and sizing aids, over 200 graphic illustrations, and a step-by-step format. This course is not beading or stringing. This is a complete course in true wire wrapping. 2 Sessions \$200.00, fee includes book Ron Hill Level 1
Sun, Feb 14, 21 (10:00-4:00)

Chain Making 101 and Beyond WS074

Learn a major art form in one 5-hour class. The projects taught are: bracelets, anklets, necklaces, chokers, earrings, crystal dangles, layered chain design as well as the "Hilloma" Links-Wrap for pendants, crystals, coins and more. The class is designed for anyone with little or no wire wrapping skills. Fee includes handouts with numerous chain designs.

1 Session \$85.00 Ron Hill Level 1
Sun, Apr 11 (10:00-4:00)

Sandy Hefnider's experience in jewelry design and new projects and techniques are the reasons why her students take her classes again and again. Meet Sandy at her demo and sale Saturday, February 13 or March 13, both from 11 a.m. to 2 p.m.

Unique Spiral Rope for Bracelet or Necklace WS058

Create a unique spiral rope using a distinctive method of repeated loops that will be developed into a bracelet or necklace for a special focal pendant. All Levels

1 Session \$60.00 Sandy Hefnider
Sat, Jan 16 (10:00-4:00)

Elegant Wire and Bead Crocheted Necklace WS879

This dazzling necklace is a classic. Smooth fresh water pearls soften the look while the glow of colorful crystals shines and sparkles for all to see. Fine decorative fibers can be added to create even another dimension. Beginners and experienced beaders will enjoy mastering this simple technique. No crochet experience needed.

1 Session \$60.00 Sandy Hefnider All Levels
Sat, Feb 20 (10:00-4:00)

Unique Hand-Sculpted Wire Bracelet WS080

Learn how to create this hand-sculpted bracelet with a fluid look of wire that reminds one of swirling water. This technique will blend an interesting combination of wire, color and bead shapes. If time permits, Sandy will demonstrate an additional accessory design to coordinate with the bracelet. All levels

1 Session \$55.00 Sandy Hefnider
Sat, Mar 20 (10:00-4:00)

Don't forget to shop in our

Estate Sale Room

with prices better than Goodwill!

Mary Nesfield's interests are combined in her unique jewelry designs and her kind and thorough teaching skills. Meet Mary at her demo/sale, Saturday, February 27, and Saturday, March 20, both from 11 a.m. to 2 p.m.

Slinky Heart Necklace and Earrings WS035

Come see how easy it is to turn wire into beads using The Coiling Gizmo! Learn to make jump rings, caged beads, chain and a free-form heart. By wire-wrapping these units together with your favorite beads, you'll leave this class with a necklace and earring set, and you will be ready to take more advanced classes offered by Mary.

1 Session \$50.00 Mary Nesfield Level 1
Sun, Jan 17 (10:00-4:30)

Seed Beads and More Bracelet Workshop WS088

Learn a variety of bead-weaving and embroidery techniques, as well as design and color coordination. Come ready to experiment with techniques that will lead to a one-of-a-kind bracelet. This can also be expanded to create a larger item, such as a beaded handbag or wall hanging.

1 Session \$55.00 Mary Nesfield All Levels
Sat, Feb 6 (10:00-4:30)

Metalsmith Earrings WS090

Metalsmithing opens up a whole new set of possibilities in jewelry making. This introductory hands-on class will give you experience in working with sheet metal to create a unique pair of earrings. Learn to work with a jeweler's saw to cut shapes from copper sheeting, then texture and layer the cut pieces to create interesting patterns, and antique them to bring out the copper's full beauty. Finally, hand craft a set of copper ear wires that will compliment your creation.

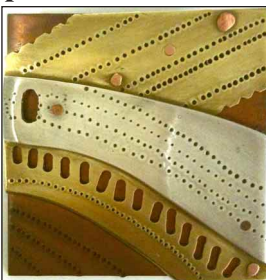

1 Session \$55.00 Mary Nesfield All Levels
Sat, Feb 13 (10:00-4:00)

Metalsmith Jewelry Workshop WS098

Learn the ancient art of metalsmithing used for creating jewelry. Students will get hands-on experience joining sheet metal by using the technique of riveting. Start with a jeweler's saw to cut shapes from copper, silver and brass sheeting, then add texture to your pieces and join them together using cold connections. You can finish your piece as a pin or pendant, and antique it to add interest and dimension. All Levels

2 Sessions \$110.00, plus kit fee Mary Nesfield
Sun, Mar 7 (10:00-4:30) & Sun, Mar 14 (10:00-4:30)

Wire Wrapped Watches WS893

Make a very special bracelet that will show off your watch! Caged beads, coiled and hammered links and jump rings will help create this decorative and functional timepiece. Whenever your watch needs to be replaced, it will be easy for you to clip off the links, enabling you to replace the watch. And, if your wrist size should ever change, you'll know how to make adjustments for that, as well.

1 Session \$50.00 Mary Nesfield Level 1
Sat, Apr 24 (10:00-4:00)

Monthly Jewelry Workshop WS097

This continuing class offers you the chance to build on skills previously learned. Mary will help you expand your skills by demonstrating different methods you can use to create unique jewelry pieces, no matter what level of experience you may have. Wire work, cold connections and other metalsmithing techniques will be offered. New projects will be introduced each month, and special requests will be honored.

1 Session \$55.00 Mary Nesfield Level 2
Sun, Jan 31 (10:00-4:30) OR Sat, Mar 27 (10:00-4:30)

Beads, Beads and More Beads...

Beaded Aurora Necklace WS096

Transform something ordinary to extraordinary in this fabulous necklace. "Rings" covered with metallic embroidery floss are the focal pieces. A beaded "rope" and beaded clasp loaded with crystals finish off this elegant necklace.

2 Sessions \$60.00 Heather All Levels
Sat, Jan 23, 30 (10:00-3:00)

Lacy Coral Bracelet WS095

Learn this free-form netted stitch as it unfolds before you. Use a paper foundation to construct the base of this bracelet, and embellish it with pearls of all shapes & sizes. Both experienced and non-experienced beaders will enjoy learning this new technique!

2 Sessions \$45.00 Heather All Levels
Sat, Feb 27 (10:00-2:30), Mar 6 (9:30-12:30)

Beaded Encrusted Yo-Yo Bracelet WS084

Incorporate fabric yo-yo's with picot edging using seed beads and crystals to create a beautiful, lightweight bracelet that is easy to wear anywhere.

1 Session \$40.00 Heather Level 1
Sat, Apr 3 (10:00-3:00)

Memory Bracelet WS883

Use your family photos to make a memory bracelet with buttons, photo turns and whimsical charms. Bring your photos to Piecemakers at least a week before class and Debi will resize them to fit your bracelet and help you assemble your own creative bracelet.

1 Session Debi Voris Level 1
 \$18.00, plus \$14.00 kit fee
Sat, Jan 16 (1:30-3:30)
