

# Kids' Classes

## *Kids Can Do It, Too*

*Welcome to June Boone, who is a working artist, and teaches as a certified preschool instructional assistant. Working with children with autism has created in her a passion to work outside the classroom with ALL children to help them express their creative spirit. With many different mediums and themes, here students create fun and wonderful works of art any parent is proud to hang at home. Meet June at our Teacher's Open House, January 9, and at her demo Saturday, February 6, during our Peddler's Market.*

### **Boone Art Kids — Fun with Color KC048**
