*Diane Douglas has been a professional crafter for many years, was a vendor at Piecemakers Village, and now we are pleased to welcome her to our teaching staff. Her skills span the whole spectrum of the crafting world, and she has always been interested in the embellishments that complete a piece. The appeal of these flowers both in their beauty and ease of construction has lead her to share her talents with you! She will display, demo and sell her incredible work on Sunday, April 5 (10:00-3:00) during Piecemakers Spring Craft Fair.*

## **Woven Flower Pins or Sachet CC493**

Brighten up your hats, purses, coats or anything you like with these beautifully textured and easy to make woven flower pins. No crochet or knitting skills required. In class you will learn how to weave a basic pattern on a small lap loom and transform your squares into a flower. Various types of centers for the flower will be demonstrated. You will leave class with at least one flower, the loom and the knowledge to make a whole garden. Kit fee includes 4x4 inch loom; large yarn selection for the flowers, leaves and centers; pre-made centers from 2x2 loom (a few 2x2 looms will be available for purchase in class); directions for using the loom plus patterns for additional projects.

1 Session \$40.00, plus \$33.00 kit fee Diane Douglas All levels  
**Sun, Apr 27 (10:00-4:00) OR Sun, Jun 1 (10:00-4:00)**

## **Beginning Sewing CC495**

Begin your sewing adventure and make matching (or not) pajama bottoms and pillow case. We'll explore the basics and you'll leave with two projects that you made yourself!
