The Definition of Whore : any person who will sacrifice principle for personal gain.

(The Church, the Whore, the Mother of Harlots)

The first thing the Lord spoke to those of the charismatic move was 2 Corinthians 6:16 — **And what agreement hath the temple of God with idols?? for ye are the temple of the living God; as God hath said, “I will dwell in them and walk in them; and I will be their God, and they shall be my people.”** That was a promise to all who would obey His voice. Notice His promise was an inner happening (“I will dwell in them”) — changing our inner man into the image of His Son. Then He added His first instruction to us.

Wherefore come out from among them and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, and will be a father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. (2 Corinthians 6:17-18) I, plus millions of others heard this call. It literally (if obeyed) turned one around and started one walking out of the world.

Now we all know the unclean thing is the womb called the world and the church. The church is called in Revelation the Mother of Harlots, the whore. Because God created us so we bring forth after our own kind, all the church can birth is a whore. Webster’s definition for the word “whore” is a person considered as having compromised principles for personal gain. If we take an honest look at America today we cannot help but say that America has become a victim of the whore, for we have gone a-whoring after personal gain, sacrificing our principles on which our country was founded. Notice the whore is a mother, and a mother gives birth.

I hear people rather proudly claiming to be a member of such and such a church or part of such and such a happening, and I want to say, “I would not want to brag about that if I were you.” Or perhaps one is claiming to be a pastor of a large congregation. How disgusting to God.

In 1967 when the big exodus from the unclean thing began, many left the churches they attended and began the trek back to God, our Father. Now it is the beginning of the Millennium and I am afraid the majority of the people have turned back and are once again members of the whore or they have started their own churches (whores) — same spirit by another name. Our country is only as righteous as the church is righteous.

Now, if you get sick of the same old same old, and get serious enough for God to see your seriousness with Him, He will move heaven and hell to get you back to Him, i.e., that heaven wherein dwells joy, peace, and righteousness, and not only eternal life, but life abundantly. This demands a complete life change, a new heart cleansed of all idols, God Himself dwelling in us; a metamorphosis, transformation, a new creation and also a new heaven and earth — here and now — not in some by and by. All of life is within you. Can you hear me calling you???

Now God has made it clear in the scriptures that the church is a prison, a grave, hell, full of dead people. If we are born in heaven — how come Jesus came to save us out of it? He has also made it clear that He is the one who begets us, not the whore called the church. The only thing the whore can birth is more whores. The real church is the Father; the word church means “source”.

Once you come out of the unclean thing and present yourself to God, He will birth you for He says, **Of his own will begat he us with the word of truth.** (James 1:18) Also, **But as many as received him, to them gave he power to become the sons of God, which were born not of blood nor of the will of the flesh, nor of the will of man [these all belong to the birthing of the whore] but of God.** (John 1:12-13)

1 Peter 1:23 — **Those who have followed Christ back to the Father, are truly born again not of corruptible seed, but of incorruptible [blood of Christ], by the word of God which liveth and abideth forever.** You may have received Christ while yet a member of the

whore but unless you decide for His will to be done in your life, for you to follow in His ways, you cannot become His life. The call is going out the second time. Come out of the unclean thing so I can be your God and take care of you as your husbandman.

October — December 2000 Letter

Dear Folks,

America is heading into the last phase of a destiny unfulfilled. My dear friends, expect very perilous times as God tests the core of the American people. Do we, as a nation, have what it takes to come through the severe testing and the fiery refining furnace of God's judgment to fulfill the destiny began by our forefathers years ago?

As God shakes America and brings us back to Christ as our foundation, we will live according to the laws of God rather than the laws of man.

Imagine America with this law in operation. 2 Thessalonians 3:10 — **"If any would not work, neither should he eat." Welfare would disappear, our immigration troubles would be over, and also much sickness, due to lack of the satisfaction work brings to the worker.**

How far America has fallen from the America our forefathers gave their lives for. The recent episode at Dodger Stadium left a lot of America dumb struck. **Ephesians 5:11, 12 and 13 admonishes us to reprove the unfruitful works of darkness and to not fellowship with those who are doing things in secret that we should even be ashamed to speak of.** The caretakers of Dodger Stadium did exactly what God would have them do by expelling these two bold entities from the midst of the people. To think they withdrew their action and then rewarded these two whores is unthinkable.

Friends we are about to see a plague of aids hit this country and there will be no cure for it. Does it not bother any of you that money is being spent for a cure for aids and not one has ever said that the only cure is to stop all sex perversion? Some years ago I was told that sodomy is outlawed in California, even in the marriage bed. God is as fed up with America as he was with Sodom and Gomorrah. If he does less to America than he did to Sodom and Gomorrah he will be less than a righteous God.

Do you feel the tremors of a sleeping giant beginning to awaken? God is calling all of us to attention. Awake and cast off your grave clothes, and clothe yourself with humility and righteousness.

We, here at Piecemakers, are in a battle with the enemy of our country. We cannot stand alone nor can any of you afford to rest on the effort being made by a few. Call us, write us — join us as God's righteousness arises with wrath and healing in His wings. We are dedicated to the God who founded our country and will fight to the death if need be. Not by might, nor by power, but the Spirit of Almighty God will every knee bow.

I love you all dearly. Classes and events go on as usual. But the heart of our store — the tea room — the Gestapo has closed and we must conform temporarily until off probation.

God's blessings always,

P.S. The Lord has a word for the homosexual community. He is about to pour out His Spirit upon them and convict them of their sin and set them free, "for they shall not all sleep but shall be changed".
