## January — March 1989 Word

### **“BEHOLD, A VIRGIN SHALL CONCEIVE, AND BEAR A SON, AND SHALL CALL HIS NAME IMMANUEL, WHICH BEING INTERPRETED IS ‘GOD WITH US’.” (Isaiah 7:14 & Matthew 1:23)**

The final trumpets in the book of Revelation are beginning to blow as God finishes His work in His first fruits people. Their hearts He has stripped of all religion and idolatry, causing them to become virgins. Wise virgins are they who have made themselves ready for the Bridegroom. Are you among those ready to bring forth a Son from a pure heart? Or is your heart full of all your own life, religion and possessions so there is no room in that “inn” for the Christ to find a place to be nourished and come forth as a light to the nations?

Please, all who read this — heed these words. If you do not understand them, don’t cast them off as error. Mary, I am sure, did not understand all the words the angel Gabriel said unto her, but she “pondered them in her heart” until they came forth in the reality of the Messiah. The disciples never cast off Christ’s words as error, but believed them with no understanding until the walk on the road to Emmaus when Christ opened their eyes.

Out of the dark womb of an apostate church, God is bringing forth “the church’ which is His Body”. Are you aware of the warfare going on as the enemy of God tries to hinder the birth of God’s people? Do you know that in this country — “Christian America” — the religious are casting into prison those who are the true seed? Do you know that parents are losing their children because of their stand for the true God of Abraham, Isaac and Jacob? Some are committed to mental institutions because God’s seed is a threat to the devil’s world.

All this here — not in Russia or Japan or Israel... right here in this country! Our country is so far from God it makes Sodom and Gomorrah seem like heaven. He is making His appearance in the hearts of His people — those who have allowed Him to change their hearts into a dwelling place for Him. If you love the Piecemakers, you love the God that fills our hearts — the Father of our Messiah. If you love the truth written in these messages, you have the God of truth in your heart.

If your life has been shaken so there is seemingly no reason to live, be of good cheer, for just as surely as He tears down, He also restores. Just as surely as He tears, He also binds up. He destroys our old life to give us a new one. The America we know will be destroyed; however, a new America, wherein dwells righteousness and justice and mercy and kindness, will arise with healing in her wings for the sick world.

Dear friends, He is making His appearance. Every inner eye shall see Him. Nobody shall be able to escape His awful holiness. All masks shall be ripped off to reveal the motives of our hearts. Is there room in your “inn” (your heart)? Will you recognize Him when He comes, or will you cast Him off as a member of a cult or an imposter? 1989 will be a year of tremendous shakings as He comes into our lives to make His home in our hearts. Those of a broken heart and contrite spirit will recognize Him dwelling in the hearts of His people. God bless all of you, and may this be the year that His life and ours become one.

## January — March 1989 Letter

### **DEAREST DEAREST FRIENDS,**

*It's that time of the year when the warmth of the fruit of our labors seems to come as a blessing - and then we start another year, hoping for an ever-increasing presence of God in our lives and pray His love and mercy come forth as fruit from our hearts. May He be evermore on our thoughts and actions as He draws us all together under His protective wing.*

*The big news for this year is the **PIECEMAKERS VILLAGE** becoming a reality with precious "boutiquers" as an extension of our family. Surely God has opened wide a door to make Piecemakers a place where people from all over the world can come and find a place of peace and creativity. Please continue to support us in prayer as we enter into this new adventure, and be sure to become personally acquainted with our new family upstairs.*

*A lot of new things will be taking place this next three months, so check our "Calendar of Events".*

*"Spin art" is in and so are tee-shirts and sweatshirts with one's own original designs. You may make your own spin art designed shirt at Piecemakers. Watch for our special times when Chuck will be here to help you.*

*On January 28 & 29, there will be a big **WAREHOUSE CLEARANCE SALE** at 1281 Logan Avenue. Don't miss the **BELOW COST** wood items for tole painting and many other bargains.*

*As the darkness in America seems to be on the increase, so also is His grace. Let us all unite in praising Him and draw close to Him — our comfort in a very trying world.*

*God bless you all. May 1989 prove to be a year of much spiritual growth as He is forcing all of us into maturity. We all at Piecemakers want to thank you again from the very bottom of our hearts for your continued support. We pray we are always faithful to Him as we continue to serve you all to the best of our ability. And may our Father tenderly watch over each and every one of you as the old passes away and all things become new.*

*God bless you, one and all,*

*Marie*

*and all your kinfolk here at Piecemakers*

### **A TRIBUTE TO OUR TEACHERS, OUR VENDORS, AND OUR MANY FAITHFUL CUSTOMERS.....**

*It is an easy thing to "get on the bandwagon" when victory has been won and success is a reality, but it is quite another thing to stick with persons and situations when the dawn seems always out of sight.*

*When the powers of this Godless world were out to take from us the very means of making a living; when in the hour of testing even those of us who were sure Piecemakers was God's business, and our faith failed us... during this ten years of stormy warfare, we have had loyal people who let the gossip from evil tongues fall off their ears like water off a duck's back. When our finances seemed so hopeless we thought God couldn't even help; when people who believed a lie did all they could to hinder us from becoming established, there were those stalwart friends, faithful through the storm. To these people we feel these words of our Savior are appropriate:*

*"Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: For I was hungry, and ye gave me meat: I was thirsty, and ye gave me a drink: I was a stranger, and ye took me in: naked, and ye clothed me..." And the teachers and vendors and customers will say, "When saw we thee a stranger, and took thee in, or naked, and we clothed thee, or when saw we thee sick, or in prison, and came unto thee?" And the King will answer, and say unto them, "When you stood by the Piecemakers in their day of trouble, so have you done it unto Me." (Matthew 25:34-40)*
