

## April — June 1987 Word

### **“THE TIME IS FULFILLED AND THE KINGDOM OF GOD IS AT HAND: REPENT YE THEREFORE, AND BELIEVE THE GOSPEL.” (Mark 1:15)**

What a timely scripture for all the world, and especially for America, as our Father is in our midst bringing to an end the ways and governments of man and bringing forth His kingdom. Time is giving way to **ETERNITY**. Are you among those attuned to the times, or is life for you going on as usual??? **AWAKEN, OH FOOLISH AMERICA, BEFORE IT IS TOO LATE. REND YOUR HEARTS AND REPENT, LEST YOUR SINS TAKE FROM YOU THE PRECIOUS FREEDOM YOU ALL ENJOY**, saith the Lord. Truth is our alarm clock, so welcome it — painful and humiliating as it may be.

Let us get a true picture of the condition of the world. First, everyone is deceived (Revelation 12:9). Everyone is sick in their mind (Isaiah 1:5). From the top of the head to the sole of the foot is man sick. We are all conformed to a very, very sick society (Romans 12). Now “everyone” means all Christians (good and bad), all Moslems, Jews, Jehovah Witnesses, Mormons... **EVERYONE**. Religious law sometimes makes us look better than the next person, but dear friends, our plumbline is not people... **OUR PLUMBLINE IS GOD!** Our sickness is in our source; in the roots of the human soul and spirit. We have all fallen short of having the one, true God as our source of life.

Now let us take a look at the above scripture, Mark 1:15, “Repent and believe...” In other words, this says we really cannot believe unless we first repent. Pride keeps us from repenting. To repent means “to turn back; tremendous sorrow for sinfulness; the reversal of.” We must first see that there is something wrong with ourselves. Sin is so “normal” — arrogance, pride and human, sick love with a self-motive is the “norm” in this beloved America. Lord, we desperately need

your holy light to come into our sick hearts. We need a blast from heaven to jar us loose from our graves of self and pride.

Turning from our ways and coming back to God is not easy, as we are a prideful, stubborn, religious people, set in our ways of thinking and doing. When we receive Christ (if indeed it is the true Christ and not just a proselyting spirit), we receive the Holy Spirit — or the One who can lead and guide us back to our true source, our Creator. Christianity has thrown out the Holy Spirit, our only means of getting back to God.

Luke 13:3 says, “Except ye repent, ye shall all likewise perish.” “If any man come to Me and **HATE** not his father, mother, wife, children, and his own life, **HE CANNOT BE MY DISCIPLE**” (Luke 14:26). And, my friends, if you’re not discipled by Christ, you will never know God as your Father, for you will never come into the resurrection. Only in the resurrection did He refer to God as “Our Father”. Luke 14:26 wipes out our natural family and everything that has to do with our life, and makes way for the extended family, that family birthed from God. The Lord says if we do not **HATE** our natural birth and all it stands for, we cannot be his disciples. Hatred toward our natural affections is a heaven sent acid that cleanses our spirit of sick affections so as to bring forth His love which is Christ Himself.

Now — two calendars ago I promised I would write about the foolish gospels that are being preached to spiritually dead congregations. They are dead gospels keeping people dead. Please allow the truth of these words to penetrate deeply. These are the gospels Paul wept over, for they are enemies of the cross.

First of all, the church in America is not, I said, IS

NOT the true church that belongs to God. It is part of the world system; so if you belong to “a church”, you belong to the world. It matters not if you call yourself a Christian or a Moslem or a Jew; you are not reconciled to God; you do not have God as your Father. Please start with that premise. Receive that truth and it will begin to open your eyes from a deep, deceptive sleep. Judgment is coming to America. He came with judgment to the Jews in 1942. He said, “First to the Jews and then to the Gentiles.” Expect 1987, 1988 and 1989 to be the biggest exodus from the sick and dying world since Moses led the children of Israel out of Egypt. And once again, our leader will be the Holy Spirit.

Let’s begin with the gospel of the mother church which is the source of every other denomination or non-denomination. This gospel preaches: Go to mass and communion every day and you get a free ticket to heaven. Anyone who is converted to such nonsense is converted by a false light called a proselytizing spirit. Oh, the preachers call it Christ, but the Bible says that He (Christ) is the true light. And if there is the true, there is also that which isn’t true.

Now right close at the heels of that gospel is another foolish gospel. People under this gospel read and know their Bibles (especially the King James Version). They have a form of godliness denying the Holy Spirit. (2 Timothy 3:5) Dead people are they, thinking they are alive.

**WAKE UP, WAKE UP, PEOPLE, FOR TIME IS RUNNING OUT. VERY SOON TIME WILL BE NO MORE!** (Revelation 10:6b).

The next deadly gospel is this: The Christ that is preached converts people to a church. This gospel says that Christ did it all 2,000 years ago and what He did we just “reckon it to our lives”. The rapture will get you out of any judgment or change. Remember, my friend, you can only grow spiritually as far as your pastor has gone. We desperately need God to rend the heavens and come down in a mighty visitation of judgment and correction.

Now the fourth deadly gospel is the baptism in the Holy Spirit gospel — the Charismatics. This one is perhaps the saddest because the Holy Spirit came and was sacrificed, and most who partook of His preciousness are bearing fruit unto death (Man) and not unto God, for they have not found that place in God’s heart free from

sin. Their gospel is this: get baptized in the Holy Spirit and you will have power. Instead of realizing it is the power of the Holy Spirit which leads us to the cross where there is an exchange of lives through Christ’s death, they settle for the power of the gifts of the Spirit; consequently, we see the TV golden calf around which the church is dancing. How sad that American people are so deceived that millions of dollars are spent to support these ministries — all from which the Holy Spirit withdrew long ago. Remember, if you are supporting them, you are a part of them.

Again, the Holy Spirit beckons to each one of us, “Come out from among them and be ye separate AND THEN I WILL RECEIVE YOU AND BE YOUR FATHER” (2 Corinthians 6:17, 18). What fellowship or agreement have you with an idolatrous church? God is only in the present time. Now is the time for our salvation. If we are looking for a future meeting with God, we are living in fantasy. If we are looking back to an historical God, we are indeed dead while we live. Jesus said, “I am the resurrection and the life.”

The last gospel is the power of the mind gospel. The mind of Christ has no power, no might and only knows what the Father reveals. This mind we receive at the cross. Poor, wretched Orange County that will exalt such a gospel!! God help us all.

Father, I pray for America — the country leading the world in power and might and technology, and yet so very far from You. We know that in Russia when they meet You they are immediately cut off from all those who are not yours. We pray for that kind of light to hit America... the land that boasts of freedom of worship. Let us have the honor of being the country cloaked in Your humility and a witness of Your great Honor and Glory.

We pray when judgment strikes, as surely it will within the next few years, we are not found wanting as were your chosen people in 1942. I pray these words in this message go deep into the hearts of your people and cause us to repent from our religious, arrogant ways. Rid us of the scapegoats in our lives, the ones we blame for our trouble, and help us to call upon the name of the Lord. In Your judgment, we pray for mercy. Thank You, wonderful Counselor, our Father.

Marie Kolasinski

## April — June 1987 Letter

*Hello again dear friends,*

*How our family is growing as new people far and near are drawn to Piecemakers and to that place in Father's heart where Santa's little elves live — busy creating new ideas and bringing them forth by the works of the hands.*

*The "early bird" classes and the men's warehouse classes are a tremendous success. We all love you people who are so ready to try something new.*

*Watch for the expansion at the warehouse on Logan Avenue. We intend to have a perpetual "sale table", also a new concept in retail/wholesale buying. A lot of the items sold at the store will be sold at the warehouse at reduced prices if bought by 3's, 6's, etc., or by volume. There will be fresh, new ideas for creating your own decorating items. This should be ready by the middle of April or early May. Watch for our grand opening. We also hope the woodworkers will have the time to make available a nice selection of reasonably-priced wood furniture.*

*If you haven't been to our warehouse, there is parking in the back, and activity inside the doors. Jim Dick has been a pleasant addition to the woodworkers. His familiar face always makes you feel good, like a good neighbor friend who is always there when you need him. Jim is Laurel Koelsch's dad, one of our teachers. Welcome aboard, Jim.*

*And then there is steady, faithful Sylvia, who is the mother of "The Doll That Ma Made." She keeps Piecemakers' production line flowing. She has been with us for some time. We just wanted you all to know we appreciate her, as well as our little Hmong friend, Ka Ying. And, of course, we appreciate the fifty-some teachers who are always full of fresh ideas and willing to cooperate with any new suggestions. And the, of course, all of you dearest people. Thank you, Lord, for our extended family.*

*You all know our cookbook is out. It's more than a cookbook — it's a keepsake that will become dearer in the years ahead...And our 1988 Piecemakers Calendar will be out by July. This calendar will feature our "Patterns of the Month". It will be one you'll want to keep long after '88 has passed away.*

*WATCH FOR — the big D-Day celebration. Every classroom will be having continuous demonstration workshops from 8:30 until 5:30. Sign up early. Check the schedule for the list of classes and further details.*

*Before I close — much as we hate to cut our mailing list, we are compelled to do so because of the tremendous number we mail to and many not receiving or not interested in receiving the calendar. This will be the last issue unless you send in the coupon on the address page of the calendar. If you have previously sent in this coupon from another calendar or have signed up in the store in the last 6 months, or have written us to remain on our mailing list, you need do nothing else.*

*If you want your calendar sent 1st class mail, we would appreciate a contribution to help with the expense. All other calendars will be sent 3rd class.*

*Estancia High School has a monopoly game coming out with Piecemakers Country Store as one of the pieces of property. Other Orange County businesses are participating in the makeup of the board. What an idea from the high school students! We will have the game for sale in our store by mid-March. Supplies will be limited, so get yours early.*

*We thank the Lord for His warm presence in the store. We thank Him for leading and guiding us in our growth. But most of all, we thank Him for all of you, and pray that as His kingdom more and more becomes a reality, that we all have that grace to endure until the end.*

***'Til next calendar — from all of us here at Piecemakers — Peace.***
