

## April — June 1993 Word

### “And knowing the time, that now it is high time to awake out of sleep (ignorance)” (Romans 13:11)

**Time is running out.** America is plummeting wildly on a path of destruction! The night (of Christendom) is far spent and the day (the Kingdom of God) is at hand.

Dear friends, as I write some earth shaking facts that we all must face, please do not get angry at me for telling the truth, but rather search the scriptures and then ask God to help you prepare for the great and terrible days ahead. According to our Savior, everyone will lose his life!!! Some will lose their lives and save their souls and some will lose their lives and also lose eternal life (Matthew 16:25, Mark 8:35).

As we slept, God winked at our self importance, our pride and arrogance. All of the deceit, the cheating, the manipulating and the ignorance will show up *in the day*. **Deeds we are performing in the nighttime will all be exposed as the day arrives.**

Now let me tell you a story. The birth pangs of a world in travail are upon us, for 2,000 years ago, God impregnated the world (age) with His seed. The gestation period of 2,000 years is over and the seed that was planted is birthing that which was sown. He is the Alpha (the inception) and the Omega (the birth) (Revelation 1:8,11). During that season of gestation known as the night season (or Christendom), we had stars who were a light to God's people; however, those stars had only “in part” truth, and now we are about to have the sun come out and swallow up the stars. Be sure you are not looking to these stars for directions instead of looking to the Son.

For when we are children of the night *we know* in part and *prophecy* in part; we speak as a child and *understand* as a child and *we think* like children, but now that which is called the day, that which is perfect (mature) or whole is upon us, and it will swallow up that which is in part (1 Corinthians 13:8–13). Dear friends,

that is a very painful experience. For all the props that make for a secure world give way to a much bigger world. The womb that nurtured us gives way and we are compelled to adapt to a new age — a new world.

Now let me tell you about the light given out by the stars of the night season. I recently got a newsletter from one of the brighter stars of Christendom. Part truth is more dangerous than no truth, for it hooks the believer. His letter was quite profound and contained what the Spirit is saying to the church. But mixed in with this truth were these lies that totally keep a child of God from coming into maturity.

One such sentence was this, and I quote. “Depending upon your specific view, somewhere surrounding these events is the rapture and the Lord's return.” Now first let us notice he misquoted scripture. The scripture reads, “What shall be the sign of thy coming and the end of the world.” Only a false prophet would ever lead a person into thinking there is some escape from what is happening.

**Did Paul the apostle labor and travail for Christ to be formed in us, (Galatians 4:19) or did he labor and travail for us to be aborted (raptured)?** Is Christ in us our hope of glory (Colossians 1:27) or is a phony rapture our hope? Dear saints, belief in that falsehood will deprive you of your salvation. False prophets and teachers are treacherous and dangerous, and will shortly have to answer to God for leading His people astray.

Then on page three of this same newsletter is the sentence, “While you sit in jail for your protest against abortion...” Now let me ask you a question. **Did Paul, Silas, Peter or anyone in the New Testament get imprisoned because of marching for a cause, or were they imprisoned because the light of the gospel they carried in their**

earthen vessels drove the people to murder because their deeds were evil? Let me ask you another question. Would you have caught these subtle errors if you had read this paper? Or are you one of those asleep “Christians” who love being duped?

To top off this newsletter, there was an announcement on page four that was frightening to me. It said that there are 300 leaders from 166 organizations representing 186,000 congregations uniting for prayer in Colorado Springs. Brothers and sisters, any union outside of our

coming through the cross and being united in Christ is a false union and will surely march and pray against the Christ being birthed. I could tell you more but you are not prepared to hear it now. Be alert! Be vigilant and know that anyone or anything connected to or hanging onto the womb (Christendom) will be terribly devastated in the ushering in of His Kingdom. I beseech you, dear reader, to seek the Lord today, for tomorrow may be too late.

## April — June 1993 Letter

*Hello Dear Friends,*

*Well, we lived through the slander and rejection of our presence in Monument, Colorado. As is so often the case, we cannot see it all for our good until we are out of the forest.*

*Considering that God has His hand in everyone's life in this final stage of human history, we can rejoice and know that vengeance belongs to God and if we can allow that to be true, He weaves all together for our good.*

*New unbelievable horizons are opening, and we can see now that God had us go to Monument first to judge that city and also to test our faith as all our hopes and dreams were shattered. Thank you dear ones who stood by us — actually you were flesh of our flesh and bones of our bone as we battled through some very turbulent waters.*
