

April — June 1998 Word

But concerning the times and the seasons, brethren, you have no need that I should write to you. For you yourselves know that the day of the Lord so comes as a thief in the night. For when they say, "Peace and safety!" then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. 1 Thessalonians 5:1-3

Before I write on the above scripture, let me remind you that all moves of God affect the inner man. The Kingdom of God is within. Joy, Peace, and Righteousness are inner qualities. The new creation is a new inner man whose thinking is changed, whose understanding is changed and whose speech is changed. Those counted worthy to enter the kingdom eat off the tree of life which is like the spinal cord feeding our human body. It is inside of us. Its power comes from God while the devil is the source of power for the tree of knowledge, which has become the great feeding trough of this country. The church is looking for an outer coming of the Lord, for an outer move of God. If it doesn't happen inwardly, it will not happen outwardly. If it happens inward, it will surely happen outward.-----

DEFINITION OF CHURCH. Origin (our Father God) — the point from whence motion or action proceeds; or completion. It also means a community of members on earth or saints in heaven or both (Strong's Concordance). Let me paraphrase. The church is a body of people who have made their way back, through the cross, to the Father. They have become complete, whole, mature or perfected. They have become what the Father planned since the time of the fall from His presence. A new creation, born of His will. The word church is not in the Old Testament and only once in the Gospels and that is when it is used telling Peter that the church would be built upon the Rock — an inside happening with an outside manifestation. Church, body, community — a closely knit people with one mind, one heart, one spirit and one Father having all things in common.

I write this mostly to the sleeping "church" which really is not the real church at all. For I fear the world is much more prepared for what is about to take place than is "the church". You will notice that the scripture infers that this happening affects all people. We have arrived into the decade of the nineties, the end of the millennium. We see much evidence that the seed that was planted in the sixties is coming into fruition. Much of the music of the fifties and sixties is being anointed by the Holy Spirit and is making a comeback.

We have all played capitalism out to the end thinking we had a better government than any other country. We have been a country blessed by God but as we left God, man's governments have replaced the governments of God and most thinking people have found out that all the goodies afforded us by capitalism have lead us up a blind alley, not satisfying the deep longing in our spirits.

The hippie rebellion was the seed planted that began to show us that materialism is not the answer to the dilemma of the human race.

The seed of community or the ark or the cocoon, whatever you might call it, was planted in the sixties and will come into fruition as we are all forced to come to end of our old lives and join God's family or perish. The ark, or communities, will be the only place of refuge as God's wrath is poured out on all rebellion, witchcraft, stubbornness and idolatry, just as the ark was a place for refuge when the flood came and washed them all away. In a community we will be nurtured, disciplined and knit together. Each community will have all the spiritual tools to grow up the people.

God has been preparing the ark for thirty years and the flood is just about ready to hit. Recently I heard a pastor say that he was being drawn toward community but his wife would not give up her kitchen. I'm afraid that is the mentality of most Christians. Believe me when I tell you that if God moves on the people like He moved upon me and all the Piecemakers, giving up one's kitchen will be a piece of cake compared with giving up what one really holds dear. All yokes that have yoked us to mate, children, job, etc., will be broken as Christ yokes us to Himself and we will learn of Him, for He is meek and lowly of heart. Remember, He will come as a thief and will separate husband from wife and daughter from mother-in-law.

Communities are already sprinkled like salt and pepper across the country. Some are Christ-centered and some are religious. After God finishes with this country all will be Christ-centered as the refining fire will purify them or destroy them. All things will be Christ's. The overseers that have held back Christ from being head will be taken out of the way so all will have to face the judgment of our Lord. Yes, we will see the real church, which is His body — not a cracker, not that disjointed cemetery we see that calls itself the church, but a body of people who are holy, blameless, and without spot or wrinkle or any such thing. Expect many of the "leaders" who have misled the people to step down either by their own wills, or by the will of God. The graves are about to open as God pours out the baptism of fire. He is a consuming fire .

John the Baptist said, "I indeed baptize you with water unto repentance but He who comes after me is mightier than I, whose sandals I am not worthy to carry. He will baptize you with the Holy Spirit and fire." (Luke 3:16) We have seen the baptism of water which was the seed planted in the sixties and seventies.

We are now to meet the mightier one, even the Father of our Lord Jesus Christ. Those that call on the name of the Lord with a whole heart will find shelter in a community and have communion eternally with God and His body of believers. We are praying for the eyes of your understanding to be opened and that you behold the face of our Father who is creating us.

Remember this, dear friends, the only power Paul had was the power of the cross. Nothing of our old nature will enter the Kingdom. Also remember, the church was so unprepared in the sixties that God went to the rebellious young people. Because the cross is a stumbling block and an offense, the people who were called in the charismatic move are winging off into all sorts of weird doctrines rather than allowing the cross to crucify them. One of the most subtle that has the facade of righteousness is the "look to Israel" doctrine. God's body is all He is interested in whether it be people in Israel or in this country or in Africa. The New Testament is written wholly on instructing people how to become the "body of Christ" — how to become whole, how to enter heaven. Nothing is said about the country Israel. Remember, Israel is the name of a man who allowed the cross to change him from a Jacob to a man of God. In reality, America is the only country called "a country under God". It is the only country founded on the Rock. It is the only country filled with every race and tongue. It is the only country that is a shadow of the body of Christ. God has not forsaken His plan for America.

Another deception is the rash of "revivals". All are false Christs, people who dodge the cross and think they will enter the Kingdom without annihilating their old life. They are being tossed around by every wind of doctrine and saying, "Peace, peace", when there is only the peace that the world has to offer. They like the excitement the devil gives them. The fruit will be very evident in the next move of God.

There will be one last call as the gospel of the kingdom goes forth. Many who are leaders now will not make it in. Paul wept over these who voided the cross. They have all the world has to offer and their lives are not one twiddle of a threat to the world. They are no good to the world or to God. Please, dear reader, before it is too late read this message and let the word not return void to sender (God). We are all in the same boat, all lost souls finding our way back to our Father who is in Heaven and who is about to enter the earth, not as a little child, but as one who has come to maturity, with the two-edged sword in his mouth, judgment in His words and healing in His wings. God bless all of you.

April — June 1998 Letter

To all our dear friends whom we feel honored to serve and befriend,

You all know that without you we would not be here. Hopefully, with God's help we will continue to serve you like we would serve the Lord.

*Please give yourself a day here at Piecemakers and spend time in the **Village** across the parking lot. You will be transported into a quaint little village that will remind you of Europe, the East Coast, the Mid West or wherever quaint villages are still found. Expect it to grow as more and more entrepreneurs decide to become part of a "new beginning" for all of us.*

*Our **craft fair** is the first weekend in **April — Saturday the 4th and Sunday the 5th**. As usual we will have home made pies, singing, great food, the best in crafters, and fun for the entire family. Thanks to the City working with us many of the burdens were lifted from us. Let us pray we begin to see our government serve the people rather than bilking and browbeating the working class. We will all have to answer to our Lord for our treatment of one another. Let us be kind to one another with a forgiving heart and continue to pray for God's mercy as He doles out judgment on a nation gone berserk.*

God bless you all and help you,

Marie
