

July — September 1996 Word

For we know *in part* and we speak (prophesy) *in part* but when that which is perfect has come then that which is *in part* will be done away. When I was a child, I *spoke as a child, I understood as a child and I thought as a child* but when I became mature or when that which is perfect is come, I put away my old ways of speaking, thinking and understanding for these are considered as childish things. (1 Corinthians 13: 9-11)

THE SECOND COMING OF CHRIST

Why is all of Christendom forever looking for the second coming of Christ and why is it never happening?

Let me tell you why.

If you have truly met Christ as the catalyst that entered into the ground of your heart and if you were obedient to leave all to follow him by relinquishing your will, the second coming is as natural as day following night. The inevitable must happen. This growing from the light of John the Baptist into the full light of the Father takes no longer than a generation (30 years). If you met Christ more than thirty years ago and have not had the awesome experience of His Second Coming you have undoubtedly aborted the seed. Or hopefully the seed is lying dormant waiting for God's visitation.

WHY IS GOD LEAVING THE CHRISTIAN WORLD AND GOING TO A PEOPLE WHO KNOW HIM NOT?

Let me tell you why. The evangelists have made the people "TWICE THE CHILDREN OF HELL" BY LEADING THEM TO CHRIST AND NOT GIVING THEM A VISION OF THE JOURNEY BACK TO THE SOURCE OF LIFE, EVEN OUR FATHER. They have their big wooing session outside the prison falsely called the church. They give them the message of Christ as savior and then tell them to go back into prison where the seed dies. I know of no evangelist or teacher who is not out for his own gain, thriving in numbers while Christ is beckoning to the little flock to enter His Kingdom. They have never paid the price to be reconciled back to God and hence they keep out all their followers. Truly the blind leading the blind.

The word "church" means source or the place where action, motives, or reasoning or **LIFE** begins. The real church is the Body of Christ, a people who are of one soul, one mind, one heart — all united to the source of life (our Father which is in heaven). Don't we take pride in our denominations or non-denominations??? They all are an abomination to God.

Let us go back to the opening scripture. All Christians think in part, talk in part and understand in part. In other words they are spiritually retarded — eating off the tree of knowledge, cramming more stuff into their heads and getting duller and duller (2 Timothy 3:7). I would rather converse with people in the world than with most Christians. I say this to your shame. No one I know in Christendom has the knowledge of God, especially in the Charismatic move.

Now let me explain again. If you have received Christ and have not experienced his Second Coming you are not only considered a sinner but Jesus also calls you a child of wrath; a child of the night; doing and thinking things in secret that only God's light can dispel. When the full light of the Father comes to our inner man we become whole. This wholeness comes by following Christ and growing up into His full stature. Remember the seed (our natural man) has to totally die so as to bear the fruit of the Kingdom. The seed looks no more like the fruit than a worm looks like a butterfly.

THEN WHAT IS THE SECOND COMING???

Matthew 24 tells us His coming is the end of the world of our inner man. That is the world where our

inner man gets his sustenance. Jesus also says it is the time of the destruction of the temple, which is our inner man. Matthew 13 tells us that His coming is the harvest or the cutting down our tree and separating the wheat from the chaff. Jesus also tells us that He comes not to bring peace but a sword, separating the family one from another so each can be free to come to Him.

It is a terrible time and a great time. Jesus says it is the worst time since man was created. **Physical death does not bring us back to God. I repeat, physical death does not bring us back to God. Only the death by yielding our old life to Christ and allowing the Holy Spirit to form a new creation will unite us to God our Father.** I am tired of the many tales and deception of the teachers and so-called prophets who have a gospel other than the gospel Jesus portrayed, Paul preached, and I walk in. His coming is the establishment of God's Kingdom within us; it is the immortality of our inner man. It is a new creation born of God, sinless, at peace with our Heavenly Father.

His abiding presence is with a people living in a community having all things in common; united in mind, soul, heart and spirit. Now mind you, all communities are not the body of Christ, however, if you are part of the body of Christ you will be living in a community with one common purpose, no elders, no pastors — a body of believers, walking in the way with Christ as the head and the Spirit of God (the Tree of Life) as their sustenance.

THE SECOND COMING IS NOT:

- 1. Surely it is not some man coming out of the sky.** Remember the kingdom of God is within you. He came the first time into your heart, not out of the sky. The second coming is also a "season of the heart".

- 2. It is not the Harvest Crusade** which is just one more name for the many revivals going on.

- 3. It is not an escape hatch called the rapture.** Only a false witness could come up with something this preposterous. Acts 14 says with much tribulation we will enter the Kingdom.

- 4. It is not the many revivals going on.** Revivals unite the people to the apostate church in Christendom. His visitation unites people to the real church (the body of Christ) in the Kingdom of God. The revivals are the last big hurrah of the soul as it knows its days are numbered.

Please, dear sojourner, hear the words of Jesus pleading with us not to be deceived by false Christs. Time and time again He warned us. For the love of Christ, wake up. Shake off the shackles of deception for the night is far spent and it appears like the Christian world is being washed away with none but a small remnant being saved.

THE SECOND COMING, DRASTIC AS IT IS, MINDBENDING AS IT IS, PAINFUL AS IT IS, WILL ALSO WITHOUT A DOUBT BE THE MOST MERCIFUL, WONDERFUL THING THAT COULD BE BESTOWED UPON THE HUMAN RACE.

So as we enter the final years of the human race as we know it, let us all bow our knees and humble ourselves under the mighty hand of our Father lest we be destroyed along with the destruction of the old World.

Marie Kolasinski

July — September 1996 Letter

Dear Friends,

Summer is here with all the smells and sounds that come with that season. Thank God the seasons are stable as night follows day. When the world is in upheaval, God remains the same, always shedding His love abroad to all of us.

New doors are opening here at Piecemakers that hopefully will be an asset to our community. **We plan to start a school** where the children will get kind, personal help with no government rules. The Lord says, “Start the school. I’ll bring the students.” Pray that we might help Him unfold His plan for our children.

We also are **starting a band**. Anyone young or old may come and join. You don’t have to be a musician to join — you just need a willing heart. We also need instruments, so if you have any that are just gathering dust, we’ll put them to good use.

Our choir has grown to around 25. It’s not too late to “Come sing with us”. No restrictions on age or sex.

The **Upstairs Hair Salon** at Piecemakers is open 6 days a week. Our prices are below average, and Sally and Sandy make you feel like you’re in the movie “Steel Magnolias”.

Let’s look at our schedule now and see the events coming up. **The Fourth of July** is zooming down upon us. Once again, we will have over 150 vendors, good food, rare entertainment and, of course, God’s presence.

Another big event will take place on Labor Day Weekend. It’s our **First Annual Antique Auction and Sale**, Saturday, August 31st and Sunday, September 1st. See over 100 top-notch dealers display their wares. There will also be an appraiser available for a nominal fee, plus food, country music, cloggers and square dancers. A bargain for only \$2.00, with children under 12 free.

Don’t forget our many **Kids’ Classes** this summer including **Kids’ Camp Week** during July and August. The kids love to learn and it will give you a little breather.

We’ve found ourselves with lots of old and new quilts, so we are sponsoring a **Quilt Bazaar**. However, this is one you too can join in. Call today if you would like to reserve a space to swap and sell your quilts. It happens on September 14th and 15th.

Well, space has run out, so check out the **Calendar of Events** for the many other happenings.

May the Lord bless you richly in these days.

Marie
