## The Big Awakening

2008 — The Year of the Opening of Prison Doors

### GOD DOES NOT FORGIVE SIN

I get letter after letter from God's precious seed behind bars telling me they know they are forgiven of their sin but they keep doing and thinking the same thing.

Well, I tell them, God cannot forgive anything that is so corruptible, so wicked, so immoral, so rebellious, so wicked as the Adam man. He has come to destroy it. Everyone who is trapped by this lie is a Christian and has been taught a false doctrine and has manufactured a veneer, a mask hiding the corruptible seed.

Some even have the audacity to brag about their condition with a bumper sticker. "Not perfect. Just forgiven." The goal of everyone professing Christ should be, "Be ye perfect even as our Father is perfect." He is the only heaven there is and if we do not become perfected or changed, well, hell is your home forever. The

word perfect is whole, complete, a new creation. He is the author and the finisher of our faith.

"There is no remission for sin without the shedding of blood." So my dear friend, you have the blood of Cain flowing through your veins until you repent, humble yourself, turn from your wicked ways, seek His face and pick up your cross and follow Him. Then He will not have anything to forgive you for. You will become His will on earth and that prayer you have so glibly prayed, "Thy kingdom come, thy will be done on earth as it is in heaven", will become a reality. Honey child, the whole scenario is right inside of each of us and we are stuck with being an eternal prisoner in hell or a free, changed prisoner of the Lord Jesus Christ. The choice is always ours. Boo hoo.

## October — December 2008 Letter

*My dear family in Christ,*

*We are headed into the holiday seasons and there are many who are suffering wondering what has happened to our “well laid plans of mice and men”. It is imperative you hear what the Spirit is saying to the people of America, nay, of the world. It is the last hour my little children and the so called church has nothing but anti Christ leaders and pastors. For they void the life of Christ which is the cross.*

*Life as we know it is over. That is the bad news cause we are all used to our misery and crying and moaning and hating and greed and the “I wants”. The good news is, this is the hour of all sorrows, all memories, all old hurts to end.*

*Now for some more bad news. All will come to an end because your life is over. Pray America goes out with a whimper and not with an explosion.*

*Up until now we have had shepherds who were the stars that guided us during the night season and they had a half assed gospel for they, according to 1 Corinthians 13, see in part, teach in part, understand in part. So they did not have a true gospel. Yes, most of Christianity has had a conversion of a proselyting spirit that converted them to a church. Some met the Holy Spirit who always bears witness of Jesus Christ as God’s Son, but it is now at the end of the age that the Baptizer of Fire is here and each comes before Him alone. No one, I said no one, will escape the fire of God that is holy. There is a beauty of holiness and if you do not turn to ashes by the death of self and rise again from the ashes of an old life you will perish as all will be holy even as our Father is holy.*

*Our God is a consuming fire and He is hell to some and heaven to others. The choice is always and forever ours. See you as we all rise from the ashes as the phoenix bird and make a display of His holiness. My love for you all is a beacon for all to see.*

### **A Letter from an Inmate (one of many like this)**

*Hi Marie and Piecemakers family,*

*This morning while reading the Words of Life, I came to find in book 6, “There are No Failures in Life, Only Chapters of Learning”, I have been so blind by my own deceit as well. Most of the time when I write to you or whoever I have one thing on my mind, Me! 99% of what I write is me me me. Arrogance, pride, vanity, selfishness. I seemingly get stuck on stupid, unaware of God and His grace.*

*I must repent daily. To give God, a repentant heart. And look at the life of Jesus, the Christ! In so many ways I believe God causes me to look myself and asks me, did I die at the cross with His son, Jesus? “My sins”. And if so am I now alive in His Son Jesus Christ? “A new life”. I truly believe I am, though there are times where I feel, why am I a failure in life?*

*After reading the Words of Life, “There are No Failures in Life, Only Chapters of Learning”, that’s my life, lots of chapters. And today as I look into my heart I’m finding comfort in the chapters that are ahead of me.*

*Because of these words that you wrote — “So as life as we know it comes to an end and things seem hopeless and a big failure, must know that out of despair comes hope, and out of sorrow comes joy, out of the ashes of our life comes the beauty of holiness, and joy does come in the morning after a sometimes hopelessly long night.”*

*A grand slam, Marie. Thank you! I needed to be picked up from my own despair. And you have done it.*

*Well, that’s all for today. I love you all and one day closer to be with you as a Piecemaker. Andrew*
