Change Is Blowing in the Wind

“We will not all sleep, but we will all change.” I would like to start with this timely scripture from Corinthians. So we all will understand that the CHANGE is personal and it is final. No maybes, no hiding in the rocks to fall on us. It is either CHANGE or perish and Obama has absolutely nothing to do with it. He is only like Custer making his last stand as God takes over His world to culminate a 2000-year period known as the “church age”.

Quoting from People Magazine: “Far from this country’s shores, billions shared in America’s historic day of CHANGE.”

The New York Times — “The winds of CHANGE are already blowing across America and I, for one, can breathe more easily.”

Obama has promised the country CHANGE, CHANGE, CHANGE. I love the scripture that he uses to emphasize the CHANGE not realizing that in his ignorance or innocence he was taking away all his self glory and giving the CHANGE duty to God.

“We must put away our childish things.” Obama was quoting from 1 Corinthians 13:11.

“When I was a child I spoke as a child, I understood as a child, I thought as a child but when I became a man, I put away childish things.” So you see the CHANGE is an inner CHANGE. A CHANGE within the heart and soul and mind of each individual. A metamorphosis, if you will. Obama can only put a band-aid on a boil so big it covers the whole world.

What is happening to the world??? The fullness of idolatry, the fullness of revelry, the fullness of giving honor to man, the fullness of corruption. A world so corrupt only God can rectify or cure.

The Bible says we will not all sleep, but we will all be CHANGED. And it also states that we must leave our tomb of self righteousness and “awake unto God’s righteousness”. By the way, the by-products of God’s righteousness are joy and peace. And the more we make Obama our scapegoat, the more we will all suffer.

Everybody is doing what seems right in his own eyes and this is about to come to an end. Every dictator did what seemed right in his own eyes. Bush did what seemed right in his own eyes. And Obama is doing what seems right in his eyes. Our righteousness will be our downfall as God’s righteousness moves across the entire world.

Obama can do no more than CHANGE the symptom. Only God can CHANGE the cause.

The time span of two thousand years, called an age or generation, has served its purpose and is ready to give up the ghost and make way for a new age, a new generation.

I agree with Obama. We must put away our childish things. When these words were written 2000 years ago the government was wiped out completely, the money system CHANGED, the family unit CHANGED, the temple fell. Churches are already dinosaurs. The entire world CHANGED because the CHANGE took place within the heart of man.

The whole world was affected at the dawn of Christianity and everyone at that time had to CHANGE or perish. Once again, we will all have to CHANGE as God is ushering in the kingdom of God. The governments will be upon His shoulders and each person will be subject to Him. That means, my dear reader, each person is responsible for his/her life. With God, not man, as our plumb line, we cannot blame our poverty on the government. We cannot look to the government to bail us out of our misery. From now on it is you and God. There are no scapegoats, no fairy godmothers, no rich Uncle Sams.

He is holy, He is merciful and He also wipes out nations when they are corrupted to the core. And because He is not a respecter of persons: what happens to each individual and to our nation will be determined by the way we yield ourselves to the big CHANGE, His awesome appearing.

Yes there will be CHANGE, but I am afraid Obama will have little to do about it except humble himself and back off the stage gracefully to make way for the BIG CHANGE.

A Visitation from Our Creator

“For God hath made of one blood all nations of men for to dwell on all the face of the earth and hath determined the times before appointed, and the bounds of their habitation.” Acts 17:26

I am writing this kinda off the wall scripture as we are about to have a visitation from our Creator who will bring all things back to the beginning, that is back to Himself.

You will notice that He made us all one blood and He calls it making the nations one blood. And we are to all dwell on the face of the Earth caring for it like caring for an innocent child.

Seeing that the Earth is our dwelling place and He has put like boundaries around us so we stay within our boundaries pray tell me...

Why, then are we spending billions of dollars to carry out Kennedy’s dream of going to another planet, going contrary to God’s edicts? Why is that money not spent for feeding the homeless, making the desert bloom, replenishing the Earth that we have ruined?

Why have we spent billions trying to get to another planet to ruin it???

God is about to make His appearance and let us pray we are prepared as a nation, as a planet to conform to His type of government, to His holiness, to His benevolence so we can in truth be a “nation under God” as we profess to be.

I would like to ask all of you Christians a question. Is it just mouth service you give when you pray, “Thy will be done on earth as it is in heaven”? Or have you shed your blood so as to relinquish your will??? Trust me when I tell you, He is God and He will bring to pass what He has planned from the beginning and that is His will, will indeed rule His Earth and all that is therein. So I would suggest instead of trying to escape to another planet, we take care of the one God has given us.
