

"AND THE WORD WAS MADE FLESH"

REMEMBER THE GOOD OLD DAYS WHEN OUR WORD WAS WORTH SOMETHING? WHEN A HANDSHAKE WAS BETTER THAN A TEN PAGE CONTRACT IS NOW? THESE ARE SOME OF THE WORDS THAT HAVE LOST THEIR REAL MEANING.

WHORE — a person who will sacrifice principles for personal gain.

CAPITALISM — this word is not in the original Webster's Dictionary. In the abridged dictionary the meaning is — Commerce and industry in which means of production is privately owned and operated for profit under fully competitive conditions. It is generally characterized by a tendency toward concentration of wealth and in its later phase, by the growth of great corporations and increased government controls.

CAPITAL — head; having the seat of government; wealth.

CAPITOL — head; temple of Jupiter in Rome related by the ancients as head — the temple of Jupiter in Rome on Capitoline Hill in ancient Rome; also, the buildings in which the U.S. Congress meets in Washington, D.C.

Now does that shock you??? It appears that the voting in of the first president was the beginning of the demise of our country, the fruit of which is our present time — instead of a land of the free and the home of the brave we have a Caesar ruling over us.

CHURCH (Strong's Concordance) — origin, the point whence motion or action proceeds from — out of; also, completion; the called out ones (from the world and false church); community of saints on earth or saints in heaven, or both.

CHARITY — the bond of perfection — the capstone of our confession. Colossians 3:14 — “Now the end of the commandment is charity out of a pure heart, and of a good conscience and of unfeigned faith.” Love, affection — that love that is born of God. When once it comes we cannot sin as it culminates our obedience to Christ. Love — feast — agape.

DEMOCRACY — people; to possess; to govern; Government by the people; a form of government, in which the supreme power is lodged in the hands of the people collectively, or in which the people exercise the power of legislation. **Please notice the difference between Capitalism and Democracy.** And then check our Constitution that allows all people Life, Liberty and right to property. Capitalism promotes greed. Democracy promotes arrogance and self righteousness. The Constitution promotes justice for all.

DEPRESSION — the act of humbling; abasement, as the depression of pride. One well known prophet whom I respect and love as a brother, although I do not personally know him has predicted a soon coming depression. Do I believe this will happen? It surely may. But let me tell you a truth. An outward act never really necessarily brings people closer to God. An inward visitation that will affect the entire human race as the fall of the tower of Babel which actually changed the language, the flood which wiped out the flesh of mankind, or the destruction of the temple in 70 A.D. when Christianity was birthed out of Judaism, is what we need. These were happenings that affected the inner man and the human race was never the same again. **THAT IS THE KIND OF DEPRESSION WE NEED.** First the natural which we had in the thirties, but now please Lord, let it be in the spiritual so the inner mind and the heart of man has a change.

I will continue this word study as the word becomes flesh and dwells among us and in us. God bless you all as God moves upon us to create something new in the earth, or should I say, “finishes what He started,” finally bringing to pass what He has had in His heart from the time He created the first Adam.

Till we all become of one mind and one heart, I remain, always His servant and yours,

Marie Kolasinski
