

Our Father

It is May 29th, 2011, and the Lord's prayer is looming up before us.

Now the disciples had just had a prayer meeting and suddenly they perhaps were aware that they prayed amiss. So they asked Jesus to teach them how to pray as He prayed, and out of that a powerful prayer as our guidepost into the abundant, victorious life loomed before us.

We can speak to God as a father or a friend. And although He is in heaven, I want you to be aware that He is also in the Earth working mightily, making disciples out of all us. We either get disciplined or perish.

The Lord spoke to me and said this: "Do you not think I could have had that tornado hit in a field or where there were no people?? Unless you all repent you will all go likewise for there will not be one stone left unturned of your life or of life as we know it."

Now on to the prayer. Now He is asking God to bring His kingdom on Earth and that comes with His will ruling the Earth and that comes with all of us having to give up our will or

perish. Our will means doing what is right in our eyes and it is self centered.

Now, you will notice that first God states what He demands before we ask for our needs.. If we do not give up our will, well, you can stop the prayer right there for it will not be answered.

Once our will becomes His, we can ask for our daily bread. Actually in His will we do not even have to ask — it is a certainty.

Do you have debts you are struggling to pay — whether monetary or moral grudges or hard feelings or a tongue that needs changing??? Well, if you have been lenient and forgiving with those you have given money to, then your debts will be cancelled also. If you carry no grudges for those who have wronged you, you will be freed. This is the time of the end and God is making sure He has a remnant that can bring forth His will and His ways and His love in the Earth as it is in heaven. Expect some drastic changes and pray you can make the change when the shit hits the fan.
