

For, Behold, the Kingdom of God is Within You

Who in hell said this ridiculous statement??? I thought heaven was some mansion in the sky — some place where I would see my long lost mom or dad. How can this big place be inside of me???

Well, let me first answer who said it. Well, Christ said it and He said alot in this 17th chapter of Luke that will nullify all you have been taught as a Christian.

Unless you understand this scripture, when it happens to you, you will go mad with mental anguish. So read this carefully and ask God to help you prepare for this “second coming of Christ ” or as the disciples called it “When will and how will the Kingdom of God come???” It says nothing about leaving. Instead it says some pretty scary things. It will be as the days of Noah and the days of Lot. Both of those times there were world wide happenings; total destruction of the race as we know it.

Two thousand years ago God planted the seeds of the Kingdom which would ultimately be in every heart. Receiving Christ as your Savior is just a sign that the seed is rising (the Son of righteousness is rising), the day star is rising in our hearts that will annihilate all that is not God. The tares were also planted in our hearts and the Holy Spirit is busily at work separating the wheat from the tares birthing a new creation.

Now let me explain to you the truth that will annihilate Israel as the chosen land or whoever lives there as the chosen people.

In the epistle written to the Galatians, Paul calls Jerusalem a place above and it is free. It is a place in our hearts called peace and heaven.

Now let us see what God says about Zion — Psalm 50 says that “Out of Zion the perfection of beauty comes and also God will shine forth from Zion.” Beauty, my dear friends is like the Phoenix bird that will rise from the ashes of our old life.

The rod of strength comes out of Zion. Well, His promise is to us that he will give us His strength for our weakness. So that is in our inner man.

Isaiah 2:3 says that the law shall go forth out of Zion. 2 Corinthians tells us that the law will not be written on tablets of stone but on the tablets of flesh, that is the heart. So you see the natural places of geography have nothing to do with the inner man wherein God dwells and also wherein the Kingdom of Heaven is.

I am sick to death of the Jews trying to make a country God’s chosen without repentance and cleansing so as to make in their hearts a tabernacle in which the God of righteousness can dwell. If they insist on Israel in all its corruption being Godly, God will surely destroy it. And American churchianity has been so carnal as to support this fiasco.

Actually, the only country started by the sweat and blood of Christ is America and I would not put my money on this country repenting although it is possible. Only a holy people can make a holy land.

As it was in the days of Noah and in the days of Lot so it is in every country. Which countries will we see humble themselves as a nation and become the Kingdom of God on earth???? Your guess is as good as mine. See you in the Kingdom.
