

Hide and Seek

Luke 8:17 — “For nothing is secret, that shall not be made manifest; nor any thing hid that shall not be known and come abroad.”

What are you doing in secret that you want no one to know about? Not even God Himself??? God’s light is shining, the day star is rising in our hearts so as to set us free. For now we all are doing what seems right in our own eyes.

I am going to tell you some truths that will set you free if you hear them and believe them. Everyone has a different idea of what sin is. Perhaps it was taught by your parents, your religion, family or friends. However, God makes it very clear that it is not what you are doing but who you are that classifies you as a sinner. For Adam was a sinner, is a sinner and always will be a sinner. And you, my dear friend, are Adam.

God says, “All have sinned and fallen short of the glory of God.” So unless you are united back to God and glorify Him and have become a new creation, you are considered a sinner.

Christ is the beginning of our journey through the cross where we lose our life to gain a new life. We must decrease down to zero like a worm decreases down to zero to become a butterfly. **There is an epidemic of anorexia in America today as the counterfeit is at work in people who void the cross and lose body weight. While watching a movie on anorexia the victim was asked what weight she thought would look right and she replied, “Zero.” As the new creation comes forth by the light of God and the butterfly emerges in all its glory some wonderful things will begin to happen.**

Luke 8:16, the paragraph telling that everything done in secret will be revealed, is preceded by, “No

man, when he hath lighted a candle covereth it with a vessel or putteth it under a bed; but setteth it on a candlestick that they which enter in may see the light.”

I have a feeling in my bones that the secret things God is doing in His people, especially the young people, have to do with talents and what He is about to unveil as new music comes forth, new arts, new inventions, new ways of life, new everything — and when people get their eyes open or they enter the new millennium they will appreciate all the talents being unveiled. When the Hippie Movement began it was like an explosion that was heard round the world. Trust me when I tell you that “that which is greater than Solomon” or the Hippie Movement is about to burst forth in all God’s glory. And the leaders will be the young people with the rings, and the tattoos, and the talents — with more common sense than their parents ever had or will have.

It is all being done in secret right now but the light of the kingdom of God is dawning and all evil will be exposed along with all the innocent ones who will come forth bearing His sheaves with Him. They do not belong to the world; they never did and never will. They are God’s chosen and although they do not profess to know Him, they have been created by Him in the fires of affliction.

The world is being purged of evil as we have prayed for two thousand years, and all will have to confess their evil, humble themselves with deep repentance or perish. There are not too many options. We have come to that time in our evolution where we either change or perish..... **THE CHOICE IS ALWAYS OURS.**

Marie Kolasinski
