

LOVE NOT THE WORLD

“Know ye not that the friendship of the world is enmity with God? Whoever therefore will be a friend of the world is the enemy of God.” JAMES 4:4

Considering that the Catholic church is the big cemetery where the true seed was buried after killing off those who represented the true seed. And considering that the Catholic church is an imposter acting like it is the chosen seed. And considering she is known as “mother church” with Mary as a phony savior; and considering the Catholic church is the power behind the evil in the world, behind every government that calls itself Christian; and considering that every church is birthed out of the womb of the Catholic church; we then can surmise that every church is part of the world that hates God.

We have yet to see the real seed that was buried 2000 years ago come into fruition. It is beginning to rise as a shoot out of dry ground; a child being born, a son is given; and the governments shall be upon His shoulders and His name shall be called Wonderful, Counselor, the Mighty God, the Everlasting Father, the Prince of Peace. A rod is coming forth out of the stem of Jesse (the I Am) and the Spirit of the Lord shall be upon Him.

This new creation will have the seven eyes of God, the seven spirits of God. The spirit of wisdom; the spirit of understanding, the spirit of counsel, the spirit of might, the spirit of knowledge, the spirit of the fear of the Lord and the spirit of the Lord. **They shall not hurt nor destroy in my holy mountain for the earth shall be filled with the knowledge of the Lord.**

Now seeing as how we are destroying countries, lives, environment and everything that stands in our

way and doing it all in the name of Jesus, greedily lapping up the world, I find the above scripture quite embarrassing as we all profess our love for God, when the fact is we hate God if we are part of the church world.

Is it not ironic that the pious, phony Christians think saying “God damn it” is using the Lord’s name in vain when they are calling Him Lord when they in fact hate Him???? Is it not ironic that the **peace** officers always create havoc when they make their appearance?? Or even worse, the government employees that lord it over the people call themselves “servants”. Is it not a big joke when we find our leaders trying to spread “Christianity” with guns, missiles, deceit, and greed??? The devil is the prince of the power of the world and Jesus make it very plain that the only reason He came into the world is to take us out of the world back to our origin, our Father. We are all energized by the power of the world until we shed our blood and get the blood of Christ.

Perhaps you who are reading this think God is not looking at all that is taking place and because we are not blown to kingdom come like we are doing to other countries He is “on our side”. The timing for our destruction is written in the heavens and all the phony bull shit will be seen as just that — “phony bull shit”.

Pray you have made your way out of the world by humbling yourself under His mighty hand and that He loves you enough to chastise you so you may be numbered among those who **“LOVE NOT THE WORLD.”**

Marie Kolasinski
