THE BLOOD OF FORGIVENESS

*"Forgive and forget" — such glib advice —
Just cover the pain and be real nice.
They say, "Time will heal — you'll no more feel —
On anger and hurt just put a seal."*

*That's world counsel — how sick! They don't understand!
Our blood has vengeance that came through one man.
The remedy — not time — not drinking or fun,
But a blood transfusion from His dear Son.*

*Savior — purge out that blood filled with hate
That needs a scapegoat with which it must mate
And fill me, dear Lord, with Your blood, bright and clean,
Filled with peace to replace that which is spiteful and mean!*
