Joshua 24:15 — “And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve.”

We as a nation have built our own gallows. We have created a Rome that makes the Rome of ancient times look like a pantywaist. We either hang the dragon or he will hang us.

Giving to Caesar that which is Caesar's is only necessary when we have a Caesar. With God's banner over us leading us into freedom from the tyranny we have created and continue to feed, let us take some drastic actions to get our nation back to one nation under God with liberty and justice for all.

The dragon has no life of its own; it gets its life from the working class who pay taxes many times out of their need, some hidden and some not so hidden.

From this day forth we the people of America will as one nation hang the dragon before he hangs us, and we will do that by not feeding him any longer with our tax money.

Use that tax money kept from the dragon wisely. Use it to keep your business operating. Use it to feed the poor. Use it to help all government leeches get a real job and start working. Use it to bring all of us together as one nation, under God, indivisible with liberty and justice for all.
